	In humility and dependence we seek God's leading in all aspects of our work and service, as congregations and individuals.	As the kingdom of Heaven is at hand, may you be filled with an urgency to reach people with the precious message of the Gospel.	In both AFLTS and AFLBS there would be growth numerically and in maturity of spiritual life. This growth and maturity would be reflected also in the AFLC as a whole.	To God alone goes the glory and praise in all of our work.	Those in leadership would be granted an extra measure of wisdom and discernment; additionally, prayerful consideration of the logistics of project from beginning to end. Pray also for the raising up of leaders within our congregations and AFLC.	May we be a people recognizing the eternal gain of the service God has called us to, and may we anticipate the eternal benefit of <i>Vision</i> upon this generation and the ones to come.	May God bring the supply ("it's not about money"), and may our faith likewise be stretched and strengthened.
WEEK 1	As we acknowledge our own weaknesses, we proclaim His strength.	That we understand the importance of the Kingdom of heaven being at hand.	Growth in enrollment - "One from every congregation" for AFLBS; more men to answer the call to AFLTS.	God be glorified in all planning and decisions.	Vision, wisdom, and discernment on behalf of leadership.	Anticipate eternal dividends of <i>Phase 3</i> and the work of the AFLC as a whole.	We would be good stewards of everything God has entrusted to us as individuals, congregations, and the AFLC.
WEEK 2	We seek Him in every decision, earnestly desiring His will to be done.	That we realize the urgency of sharing and teaching about the truths of eternity.	Spiritual growth and maturity for our students at AFLTS and AFLBS.	God be glorified in all of our actions.	Timely planning and implementation by our leaders.	For future students and the impact they will make on the generations to come.	Gifts from individuals and congregations would represent sacrificial, over and above giving.
WEEK 3	We acknowledge a complete dependence upon the LORD, knowing we are but weak vessels used by Him.	That we understand the shortness of time and the length of eternity.	Spiritual growth and maturity for individuals, their local congregations and the AFLC as a whole.	God's kingdom would be built here on earth through <i>Vision</i> .	The raising and equipping of leaders within our congregations and the AFLC as a whole.	That our faith in God grows through the carrying forth of <i>Vision</i> .	That the LORD would provide needed scholarship funds through individuals and congregations to make it affordable for all who desire to attend.
WEEK 4	That we would be protected from pride, self-sufficiency, and self-will. We would submit our will to His will.	That urgency characterize our efforts to reach people with the precious truth of the Gospel.	Spiritual growth and maturity for our instructors and staff serving AFLTS and AFLBS.	Generations to come will praise and recall God's faithfulness in <i>Vision</i> .	Being aligned with God's will in all aspects of the project.	God's kingdom is expanded through our AFLBS, AFLTS, and AFLC as a whole.	As our faith is stretched and strengthened, so too would be others' as they witness God's power in our midst.
